Summary Special Session Senate Bill 26, P.N. 18

Prime Sponsor: Senator Wonderling

Overview

Amends the Administrative Code of 1929.

- Effective January 1, 2010, requires state-owned or leased vehicles to operate using a 20% biodiesel fuel blend.
- Bio-diesel must be purchased from a qualified biodiesel producer, which is defined as a producer who has its principal place of business and biodiesel production facility in the Commonwealth and is at least 51% owned or operated by persons with a permanent residence in the Commonwealth.

Effective Date

This act shall be effective in 60 days.
